

10-1. Respond to Survey

Surveys will be sent to the contact(s) you have registered (email address, LINE account, and/or app). You can view and respond to these messages by logging into “My Page.”

Receive through email

Example of when a user receives a survey through email.

Tap the URL.

Receive through LINE

Example of when a user receives a survey through LINE.

Tap the URL.

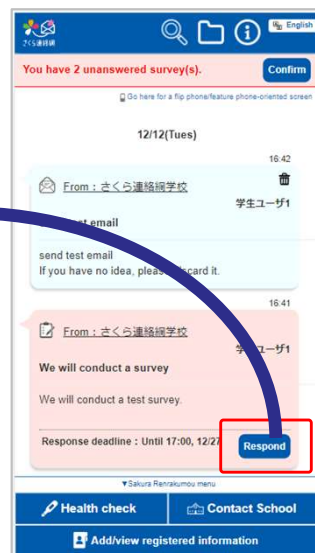

Receive through app

Just as with messages, you will receive a notification when you receive a safety confirmation request.

Tap the notification to launch the app. This will display your “My Page.” You can view the message on this screen.

Log in and respond

You can also respond from your “My Page.”

Tap “Respond.”

Example of a response screen for a survey.

A screenshot of the survey response screen. The title is 'We will conduct a survey'. The first question is '(Required) Select one' and asks 'Where are you going on your excursion?'. The options are 'Mountain' and 'Ocean'. The second question is '(Required) Select one' and asks 'How much is the snack?'. The options are '100 yen', '300 yen', and 'Other (Additional comments)'. There is a text input field for the 'Other' option and a 'Respond' button at the bottom.
