

4-1. Register Another ID (1/2)

Register an additional ID listed on a separate Registration Sheet. This is to register any additional children.

Note

- You will need a Registration Sheet to complete this procedure. Get the Registration Sheet from the child's school.
- You will need to log in to complete this procedure. (See "2. Log In" for how to log in.)

Procedure

*This may not be displayed

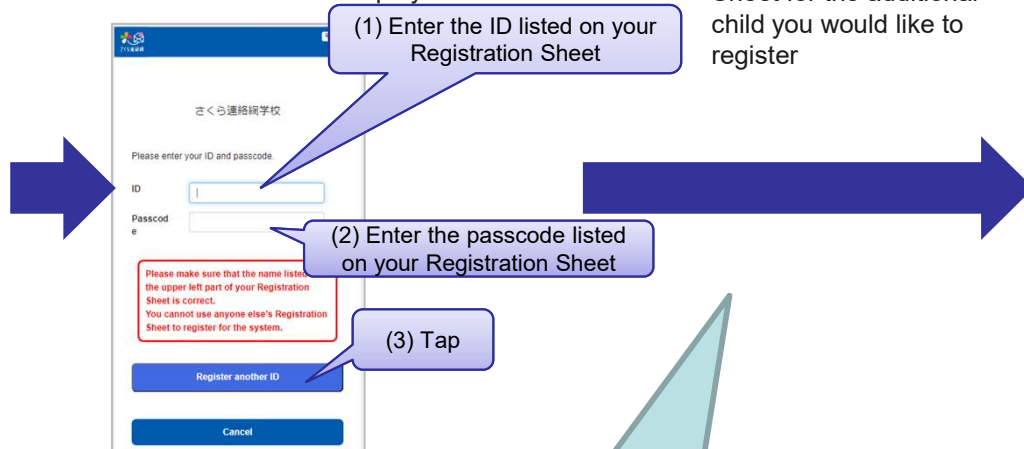

Tap "Add/view registered information"

Tap "Register another ID" on the menu that is displayed

Enter the authentication code listed on the Registration Sheet for the additional child you would like to register

The Terms of Use will be displayed on the screen. Read the Terms of Use, then check the box next to "Agree" if you agree with the terms.

Enter the ID and passcode, then tap the "Register additional child" button to register the additional child.

You cannot register any more email addresses. Delete one or more of the email addresses you have already registered.

Cancel registration Delete and register

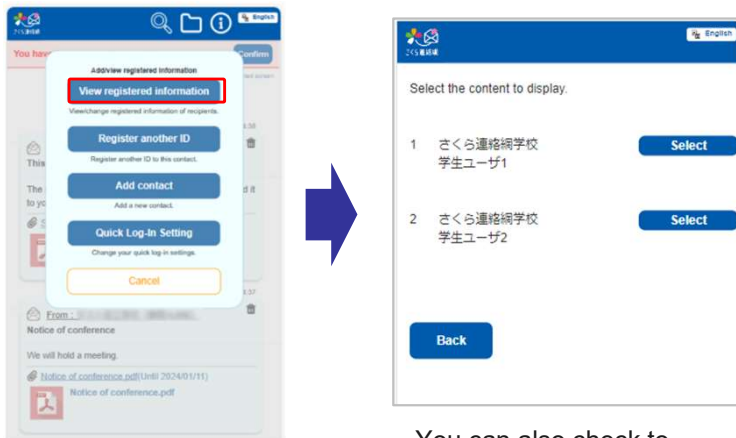

If you have already registered four email addresses (or other contact methods), you will see the screen to the left. Delete one of the old contacts and register a new contact.

4-1. Register Another ID (2/2)

Check

If you have multiple IDs (multiple children, etc.) linked to your contact, you will start being shown screens to select specific children when using specific features.

The main screen will display messages for all of the children you have registered.

Select "View registered information"

You can also check to see that the additional child has been registered.
